

Christin (Christmas) Lynette Pecynski

September 9, 1989 - January 5, 2019

Christin (Christmas) Lynette Pecynski of Lansing, MI went to be with our Lord and Savior on January 5th, 2019 after a long battle following complications from surgery. She was born in Grand Rapids, MI to Dawn Wainright and John Pecynski on September 9th, 1989. Christin was preceded in death by Her Grandparents Mel and Donna Birdsell, Her Uncles Raymond Pecynski and Rick Tompkins, her Childhood Friend Amber Kooman. Christin is survived by her Parents Dawn Lucas and John Pecynski, her fiancé Tyler Bahr, her siblings Isaiah Lucas and Cherie Pecynski, Nieces and Nephews and numerous other family members and mounds of amazing friends. Christin could only be described as a sweet, warm and colorful soul. Though shy as a child working for The Haunt in Walker, MI allowed her the freedom to be herself and encourage others to do the same. Its also where she met the love of her life; who she said helped calm the often chaotic storm that was her thoughts. Christin was a huge fan of reading and especially loved Harry Potter; she also immersed herself in almost anything Tim Burton. When asked about how they first met Christin people would naturally say she just waltzed right up and introduced herself. She loved last minute surprises and doing things to bring joy to everyone's day. Her love of roller coasters lead to many surprise trips for her Niece and Nephews. Christin loved being a part of the "Big Brothers, Big Sisters" program and doted over her "little" as often as she could. Always telling everyone how awesome she was and what an impact her "little" made on her life. With someone as amazing as Christin you can't help but have a million wonderful memories, and so many different things to remember her by. Her generosity and willingness to put others before her will never be forgotten, her joy and passion will forever be missed, and her memory will live on in the millions of hearts she has touched throughout her life. A Memorial Service will be held Friday 11:00 am at the Arsulowicz Brothers Stocking Mortuary, 585 Stocking NW. Her family will receive visitors Thursday 2-4 and 6-8 pm at the funeral home where a time of sharing will be at 7:00 pm. Interment Holy Cross Cemetery.

“ To all of Christin's dear family and friends, you have my deepest sympathy for your loss. As mere words alone can not comfort you in this deeply sad time, know that I am praying for all of you! Also know that for Christin to have touched your life in a positive way you also did that for her. Thanks for that! Love to all! Aunt Meri-Ann

“ I had the pleasure to be the Haunt Mom to Christin. She was shy at first but once she found her niche within the Haunt Family. She totally changed into a social butterfly. She was a pleasure to be around and also oozed with positive energy that rubbed off onto you.
Baby girl you will be missed greatly!!

“ This beautiful Angel was meant to always fly. She had wings before she was even born. My very first friend in elementary, my very best friend through high school, my soul sister through love. No matter how long you knew Christin, you knew unconditional and complete love. I can never thank you enough for the piece of your heart that you gave to me while you were here. I love you and you've always been a guardian angel so i know your up there just showing em how it's done. Forever in my heart.

“ She was stronger than me in times where strength was needed. I was terrified of her. She loved everybody unconditionally. I will never forget that.

“ Not only a beautiful young lady but the sweetest. I was not close with Christin but my life was truly blessed by the time I spent with her. “So it’s true, when all is said and done, grief is the price we pay for love.” — E.A. Bucchianeri, Brushstrokes of a Gadfly

“ One of the last conversations I had with Christin, we reminisced about our childhood. We laughed and talked about the silly things we did as children, i’m going to miss long talks like that. I’m going to miss her hugs and her smile, and her infectious laugh. I know she’s with Grandma and Uncle Ray looking down on us now and filling them in on everything they’ve missed over the years. I love you Christin

“ Anyone who had the privilege to have met her knew she was an angel. The world is less bright without her here. But we all will cherish the time we had with her. You will be forever missed and loved.

“ My heart felt condolences to Christin’s family, friends, and Tyler. I worked with Christin at Delta and had the opportunity to meet her during her interview. She was a wonderful person that fit in perfectly on the team. I enjoyed her artistic personality right down to each of her hair colors which was such a beautiful representation of the beauty she had and shared with so many. She will be missed and we are blessed that she crossed our path and touched our hearts. Prayers continued to be sent today and days to come. ~ Theresa Ross.

“ Christin was always a good friend to have around, I first met her at The Haunt and we became friends after that. I always love how fun it was to be around her and how she could always put a smile on my face and get me to laugh. She was a great friend and a great person that I got to have the pleasure of knowing in my life! I’m going to miss her everyday.
