“ *As one of Cindy's cousin who grew up with my brothers and sisters as family, we all loved her very much. Memories of time spent with our parents and Cindy's parents and sharing our dear Grandma Burton come to mind. We stayed in touch with her all through or lives and celebrated good times and sorrowful times together as families do.*

*She loved us dearly and our families and always kept track of everyone and prayed for us all. Hopefully she will continue the prayers in heaven.*

*She was an inspiration to many of us for her courage to always try and live a good life and follow God's will for herself no matter what came her way.*

*She always valued her relationship with God and family and tried to root on others when they were struggling.*

*Rest in Peace cuz-Tell everyone hello for us. None are forgotten.*

*Margo & Pat Perry.*
