“ Can't believe it's been a week and 1 day since you left us.. I miss you and the house doesn't seem the same without you there.. Stool wondering hope I do life without you or Dad.. Who do I run to? I know I have people here for me, but I still need you and Dad.. I guess I have to be a full blown adult now.. No one here to call us kids no more.. I know time will ease the pain, but it will never fill the holes left in my heart from.. Please watch over all of us Mom... Please shine your light down and help guide us all through this lost feeling we have inside of us.. Give Dad and Christy big hugs.. Enjoy your reunion. I know you all will get us one by one when it's our time to go. Until then know you are loved and missed beyond measure..

if you're up there watchin' me, would you talk to God and say,
Tell Him I might need a hand to see you all someday..
I Love you always and forever Mom..
Love Always Your Daughter
Sherry Lynne.
