

## Elias Saenz

June 10, 1983 - April 27, 2020

Our family sadly lost a pillar April, 27th when Elias David Saenz, favorably known by many as Nino, went home to be with the angels and receive his wings. Nino lived a fulfilling life as a loving Father to his sons Asher and Quintin, adoring Fiancè to Stephanie Knight, caring brother to sisters Andrea and Christina, devoted son to parents Diamantina Martinez and David Saenz Jr. and a companion to a vast family and friends.

He was proceeded in death by his grandfathers, uncles and friends he has met along the way. Nino's legacy will live in the hearts and minds of those he's touched, and his love and generosity will forever be everlasting. Private Family services will be held.

“ It's been probably 5 years since Nino and I lost contact and this truly breaks my heart. He's always been held pretty high in my book. And forever will!!! We became friends When I was in junior high when I first moved from Indiana and We had always remained friends and stayed in contact over the years throughout life even after moving back to Indiana after high school. anytime I planned a trip back Up to Michigan for visits- he was always a first on my list to go see! I will forever cherish those memories! Nino truly was one of the most genuine and kindest souls Ive known in life and I'm happy to have known him. Just wish I could have seen him or reconnected with him Atleast one more time! :( I am torn over the news of hearing about his loss, and A piece of my heart goes along with him. I pray his family, Stephanie, and all of his many friends find some peace and comfort. My Thoughts and prayers are with you all.

Nino, my friend..... Until we meet again!

“ Nino taught me to play chess when we were in elementary school. I've since gone on to teach quite a few people how to play, and always mention who I learned from. I like to do the same fun trick he did, “okay, first lay down your king.....” Funny guy, I always thought of him as thinking three steps ahead of the rest. Rest In Peace friend.

“ Having grown up with Nino, my memories of him are of who he was as a kid, but I have no doubt those admirable qualities carried over into his adulthood: charisma, humor, kindness and fun.  
From our youngest days of hide and seek, water fights, building forts and mastering new video games to our "maturing into" trying to mimic Nino's cool rubber band braided hair, I will always treasure our memories from that time and am thankful that he was part of my life.  
My prayers go out to Andrea, Christina, their mom and all of your family!  
May God welcome Nino safely home.
