“ I remember the day you came to my house and about an hour after you left called me from someone else's phone asking if you had left it at my house. I tore my entire living room apart. Haha then two days later you found it under the floorboard in your car! I remember you calling me and US laughing so hard! I'm going to miss your random messages, your amazing smile and your genuine heart! I love you my friend....that NEVER dies! Hugzzzzz
