“ Aunt Marg was the sweetest person. Rarely did a bad word about anybody pass her lips. She loved all of her nieces and nephews children and grandchildren. She would give you the shirt off her back if you needed it. She and Uncle PeeWee we're always there if we needed them. I will miss her greatly. My love and prayers go out to Uncle Peewee in this sad time. She will be greatly missed.

“ I will forever remember when as children we were sent to live with her and Uncle Peewee, and how they opened their homes and hearts to me and Geri. I loved her hugs and warm smile, and her warm laughter. I also loved going to visit her as an adult and catching up on stories of my cousins and their children. She will be missed.
