“ I lived across the street from pat and Sharon for almost 18 yrs Sharon and I were both teachers so we had an instant connection. I couldn't have asked for kinder neighbors they loved my cat Thomas who kept chipmunks away from their tomato plants that they loved so much and they knew he loved bacon because he would wander across the street if Sharon was cooking bacon. I will truly miss pat as I missed Sharon when she passed away it's been a rough year as my friend and roommate Paul passed away Feb 14 I regret not getting over to share my bad news w pat because I then didn't get to talk to him one last time Pat would always talk to Paul who was 64 and developmently disabled they were both fixtures in the neighborhood they made it a better place to live.
Much love Michael Brock
