“ One of the best baseball players that i played with and against and I will never forget playing against him and he stole home on me--that is very hard to do and when I think about him I laugh at what he did--he was a good sport--never forgot the look on his face when he did it--may he rest in peace--jack

“ So sorry to hear of Tom's passing. I taught at Union with him and was the first base coach for Sullivan's when he played for them. I worked one summer with him for North American Van Lines loading Kelvinator refrigerators and at Steelcase and a furniture factory in Holland. He was such a great friend for me when I was the head baseball coach at Union from 1966-69. I will always remember that grin of his, Tom Tweddale, Huntersville, NC

“ Coach Hofmann was teaching at Grand Rapids Union when I was doing my student teaching back in the late '60s. I admired him greatly as he was a class act. I considered him a friend for life.
